

## Mosterton Preschool – Spring Term Newsletter 2025

Mosterton pre-school welcomes you back after a beautiful 6 weeks holiday!

It is lovely seeing you all back again and meeting new faces.

This half term we are focusing on All About Me. We are learning all about our friends and what makes them special. We would love for you to share pictures of your families and things that are special to your child. We will use these in our day-to-day practice. You will have received an email from us stating who your child's key person is. If you have any questions about your child's development please do not hesitate to ask.

As you will have noticed we have had a big change over the summer and are now operating as one unit. This is to ensure all children are thriving and meeting their full potential. It enables staff to do more small group activities where they can cater these to meet each child's ability.

If you have any safeguarding concerns about your child or another child the Designated safeguarding lead is Steph Pinkett and Samantha Larcombe is the deputy designated lead. We are here to support you in any way we can, so please have a chat with us if you have concerns. We will log any concerns and act accordingly. All members of staff have received safeguarding training.

### Reminders & Asks:

A polite reminder please ensure that all children's clothes are labelled with the child's name or initials.

If anyone has any herbs or potted flowers, they are able to donate we would love to add to our herb garden.

A polite reminder please ensure that you bring in 2 good quality items of fruit each day your child is in, for us to enjoy at snack time.

A massive thankyou to parents who have donated old toys and resources recently. The children are enjoying creating new experiences with them.

### Staffing News:

You may have seen some new faces around the nursery! We have Poppy who is level 3 qualified and is joining us full time.
